September 2009

Youth Group POC, Stephanie Dixon, (301) 392-0360, saddle.up@verizon.net

Hi everyone!

School is now upon us, and with September, comes Fall, and cooler riding temperatures!

We have a small but active youth group, and with a watchful eye towards the future, have several events planned over the next couple of months. We really hope to see our new youth attend, and BRING A FRIEND since everyone knows it's more fun to share the experience! Riding isn't always included in our youth events, so even if your friends don't actually ride (yet) bring them along!

Group Riding Adventures!

Many of our youth attended the September Twilight ride at Cedarville State Park, and for those who didn't, there is ANOTHER evening ride scheduled in September, at Paracletes Paradise farm in Hollywood MD. This one will feature a bon fire following the ride; so even if you can't ride, come enjoy the food and fellowship afterwards!!

Several brave SMTR youth tagged along with their parents on the Overnight Ride at Fair Hill Equestrian Center in Elkton MD. The Blush, Minger, Fleetwood, Kern and Manning kids all enjoyed themselves immensely (through the raindrops!) Not one single kid complained about the rain, as they managed to have a great time.

One youth club member even did his FIRST ever SOLO group ride!
Congratulations WILLIAM on a job well done!

The August Kids night out at the Dixon home featured lots of good food, pool fun and setup for the Youth webpage on Chris D's home PC.
Watch for fresh new content soon!

Please remember to email your horse related experiences and accomplishments to Zena K. horsesrock93@verizon.net for inclusion on the Youth Web pages and in the Newsletter!
